## Our Training Courses

All our courses are conducted at our main training centre in Braamfontein, unless stated. Courses are practically oriented and, unlike many other similar trainings, if on-site involve gaining valuable hands-on experience with children with CP. All courses are eligible for CPD points, and catering is included (unless noted). Courses are held throughout the year and are conducted in English, unless requested otherwise.

### Practical Training Course for Therapists (5 days)

This course covers a mixture of lectures, clinical supervision, hands on therapy and facilitated sessions, covering all relevant information on CP for therapists and related professionals.

### Practical Training Course for Care workers/Care givers (5 days)

A course providing information for care workers/ care givers about working with children with CP, covering necessary information about care and management of such children.

### Private Therapy

Malamulele Onward can also provide various private therapy options for those families wanting these as part of their child's treatment. Please inquire with us for further information on these.

Contact us at: [info@cpchildren.org](mailto:info@cpchildren.org) or +27 11 484 9456 for further information about training or to book.

### CP101 Understanding the Basics (5 days)
